

DISCUSSION

Linguistics & Politics**>Samos >August 6**

Ilker Ayturk, professor of political science at Ankara's Bilkent University, Adnan Yildiz, artistic director at Kunstlerhaus, Stuttgart, and Constantine Tsitselikis, professor of human rights and international law, are taking part in a discussion on linguistics and politics at the Art Space Pythagorion in Pythagorio, on the Aegean island of Samos, on Tuesday, August 6. The discussion is taking place on the occasion of a multi-media installation by art collective Slavs and Tartars at the same venue.
